

Young adults service

We support young adults with a life limiting condition to access a range of tailored services for you at LOROS.

What's on offer:

You will have access to the Young Person and Transition Key Worker who will provide a bridge to our hospice services. They can visit you at home and tell you more about what we can offer that will meet your individual needs.

For example, Complementary Therapy, Counselling/emotional wellbeing, Wellbeing hub and much more.

Want to know more?

- Aged 18-30?
- Life limiting condition?
- Living in Leicester, Leicestershire or Rutland?

Why not call

(0116) 231 8490 or email daytherapyadmin@loros.co.uk

to request contact from our Young Person and Transition Key Worker who will contact you as soon as possible?
