Welcome to the day therapy unit

Day therapy

Day therapy aims to provide high quality holistic care and support. The focus of this care is to enhance quality of life, promoting dignity and individual choice.

Your treatment will be regularly reviewed and discussed with you.

Sometimes people may no longer need to attend day therapy. This may be because:

- Their condition has become more stable or their needs have been met
- They may feel too unwell to attend or be unable to do so safely
- There is a change in personal circumstances such as moving to a care/nursing home

Overview of services and therapies available

- Assessment of individual health and social care needs by a qualified nurse, occupational therapist or Physiotherapist
- Plan of care based on individual needs regularly reviewed by a trained nurse in Day Therapy
- Outpatient clinic with a specialist palliative care doctor if appropriate
- Programme of 'well-being' sessions including mindfulness, creative thoughts, managing fatigue and keeping active
- Complementary therapies
- Creative therapy, e.g. arts, crafts, painting
- Chaplaincy
- Lunch
- Outside speakers, e.g. flower arranging, chair yoga

Smoking

LOROS day therapy operates a no smoking policy.

Mobile phones

Patients are welcome to have mobile phones whilst in the Hospice. Please be considerate of other patients regarding the volume of ring tones and the times of incoming calls.

Shop

There is a small shop at the Hospice that stocks a variety of goods including toiletries, confectionary, drinks, greetings cards and gifts.

There is also a limited range of adaptive equipment for sale.

Catering services for patients

The Hospice prides itself on providing a catering service for patients where fresh ingredients are used and every meal is 'home cooked' on the premises. A member of the catering team will explain the dishes of the day and take your order.

The catering team can provide meals to accommodate any special requirements including diabetic, coeliac/gluten free, dairy free and ethnic diets. Pureed food is available on request.

Lunch is served at 12.30pm. Drinks, biscuits/cake and fresh fruit are also provided during the day.
