Thank you for a lovely thanks giving and memorial service. The input you put in does not go unrecognised and the hard work that comes with it. Thank you so much Andrew, Beth, Belinda, Diane xxx

Sharon is incredibly helpful and happy to help others, always offering to support however she can. She is a major team-player in Fundraising and an all-round lovely human being!

I would like to say a huge 'Thank You' to Jyoti for going above and beyond with assisting us to source and continued search for when items were coming in Stock. Very helpful, Thank you xx

Thanks to Sheila's persistence, the wedding was able to go ahead on Monday. I felt relieved and so pleased that we were able to continue supporting the couple's wish to be married. If Sheila hadn't communicated so effectively with the consultant and the registrars, the wedding simply wouldn't have happened. Thank you for your dedication, care, and compassion.

Over the last few weeks every HCA has carried the Registered staff. Every day they show care, compassion and dedication to patients. You're all amazing, Thank you.
