Lisa Holford – Team Leader – Inpatient Ward
Lead the team, supported her colleagues and gave lots of encouragement to the patient. She has much experience and kept very calm. Incredible team leader to work with, always thankful for the support.

Emma Izzard - Domestic
Want to say a Thank You to Emma the domestic for looking after my dad and helping me too, his daughter. Always smiling and amazing what she does.

Steve Cobden - Volunteer
Steve is an incredible support to LOROS. His dedication to helping with transport and school events is truly inspirational, and his passion for LOROS has been recognised by both school communities and LOROS staff alike.

Sam Black – RN – Inpatient Ward
Sam was extremely proactive regarding very swollen lymphoedema legs of a palliative patient that she was nursing. The patient said that he felt she had been exceptional in managing the legs when they were wet. As soon as the legs had healed she came straight down to the lymphoedema clinic to advise me so that I could organise compression promptly for his imminent discharge. Very professional collaborative, great colleague!

Angela Baxter - Complementary Therapy
What would we do without this lady's relaxing skill. Angela is very calming and boosts my low mood, she really helps me to relax.
