### Enablement Team:

**Thank you to the Enablement team for coming along to speak with our day hospice patients. The talk was very well received, and the patients found it both useful and informative. Thank you again for your time and support.**

### Georgia Akiens CRM:

**Georgia is consistently helpful, knowledgeable, and approachable, and nothing is ever too much trouble for her. She is always happy to look into queries and takes the time to find the right answers. What really stands out is how clearly she explains processes, ensuring you fully understand rather than just providing a quick response. Her friendly and supportive approach makes a real difference and is greatly appreciated.**

### Lisa Tuckley Inpatient Ward:

**Lisa spent 7 hours with a patient who had no family whilst she was dying. Lisa shown care, compassion and dignity throughout. You're amazing.**

### Catherine Dowling Inpatient Ward:

**Took amazing care of a distressed visitor. Was a very calming influence, and provided clear explanations of what to expect.**

### Julie Derry Catering:

**Julie takes such good care of catering for the needs of patients, families and staff. When it comes to her colleagues Julie always go above and beyond to make sure that everyone on the list has eaten, and always with a smile on her face. I really appreciate everything that she does for us.**
