LOROS Well-being Hub

Our LOROS well-being hub will take place on the 1st and 3rd Monday of each month between 10am-3pm. Any queries regarding these sessions, please telephone 0116 231 8490/8451.

Who can attend

Patients with a life-limiting conditions such as Cancer, Chronic Obstructive Pulmonary Disease (COPD), Motor Neurone Disease (MND), Interstitial Lung Disease (ILD), Heart Failure etc.

Carers can come with or without the person they care for. Carers will be signposted to the bereavement hubs as and when appropriate.

We aren't able to provide care for these sessions so we ask that patients and carers are able to look after themselves because the sessions have no medical or nursing provision. You will also need to be able to provide your own transport.

Aims of the service/sessions

To empower patients and carers with the knowledge and confidence to feel supported living with an illness, and able to make the most of life.

At the well-being hub you will be able to have a chat, hear tips and share your experience with other patients and carers and engage in a variety of activities.
