

**OCTOBER 2025**

Welcome to the Schools  
and Young People Newsletter!

This newsletter is designed to keep you up to date with the exciting projects, events, and opportunities we have to get involved with. We look forward to working together to make a difference, share inspiring stories, and highlight the amazing ways young people are supporting LOROS.

Stacy Munday – Schools & Young Persons Coordinator.

## This summer has been an unforgettable one thanks to Stomp Round Leicester!

- Over 80 beautifully decorated baby elephants brightened our city streets
- More than 21,000 young people (including so many of you!) helped design and paint them
- Over 130,000 sculptures have been collected via the Stomp Round Leicester app
- Families, schools, and the whole community joined in, creating memories and conversations around public art and hospice care

The trail has been a huge success in bringing people together, and now it's nearly time for the elephants to head home on 6th October!

**Don't miss your last chance to see them all in one place at our Elephants' Big Day Out at the Hospice on Saturday 4th and Sunday 5th October!**

Scan the QR code or visit [loros.co.uk/farewell2025](https://loros.co.uk/farewell2025) for special discounted family tickets for our Learning Programme partners. Please feel free to share with your school community.

## LOROS REINDEER RUN is back!

Put your antlers on and get moving this winter – all in support of LOROS Hospice!

We're counting on your team of reindeer recruits to get active and participate in our Reindeer Run, all in the spirit of supporting local families in your community across Leicester, Leicestershire and Rutland during November and December.

It's so easy to take part! You set the date, distance and location and we'll provide you with everything you need to support your fundraising.

Find out more at [loros.co.uk/reindeer](https://loros.co.uk/reindeer)

## Christmas at LOROS

**Could your school choir, drama club or musicians visit the Hospice?**

Whether it's singing, dancing, reading poems, or playing our piano, your talents will bring joy to patients, families, staff and volunteers.

## Shine a Light moment

This term's Shine a Light goes to the little stars at Daisy Chain Nursery. They came to LOROS and helped us plant vegetable seeds in our polytunnel – once grown, these will be used in meals for our patients.

Do you know a student, teacher, or group who deserves a shout-out in our next newsletter? Big or small, we'd love to hear about it! Email me at [stacymunday@loros.co.uk](mailto:stacymunday@loros.co.uk).

## School assemblies

Did you know we can visit your school? Our brilliant volunteer, Steve, has been attending assemblies at schools to talk about LOROS and the difference we make in our community.

Steve is on the road again this term visiting Sketchley Hall School and Greystokes Primary School. Here's a snap of him in action last term – he'd love to come and see you too! Please let us know if you'd like to arrange a visit.
