

SEPTEMBER 2026

Stacy Munday – Schools & Young Persons Coordinator.

The summer holidays are over and it's the first term of the academic year. I am looking forward to what this academic year brings!

Inspire your pupils this school year with a free LOROS assembly!

Our engaging, interactive assemblies introduce pupils to the work of LOROS and show how kindness, compassion and community support make a difference to local families.

Tailored to different age groups and school settings, our assemblies can support your PSHE curriculum, inspire charitable giving and introduce pupils to a local cause.

Shine a Light moment

We're incredibly proud that The CHANCE Club, LOROS' bereavement support group for children and young people, was shortlisted as a finalist in the BBC Radio Leicester Make a Difference Awards.

Whilst we didn't take home the award, we're so grateful for the recognition and support. Being named a finalist is a wonderful achievement and reflects the positive impact The CHANCE Club has on the lives of bereaved children, young people and their families across our community.

A huge thank you to everyone involved in making The CHANCE Club such a special place of support, friendship and understanding.

If you'd like to nominate a school, group, or individual for a future Shine a Light moment, please email: schools@loros.co.uk

Christmas at LOROS

We are looking for students and young people to visit the Hospice and help bring joy to our patients, staff and volunteers during the festive season.

Whether they enjoy singing, dancing, acting, performing poems or readings, or playing a musical instrument, we'd love to hear from you. We even have a piano available for performers to use!

If you'd like to help make Christmas extra special for those at LOROS, we'd be delighted to welcome you.
