Being there for you and your family

**LOROS**

Hospice Care for Leicester, Leicestershire & Rutland

# **A Gift of Love. A Legacy of Care.**

LOROS Hospice was founded by the people of Leicester and Rutland in 1985, with one clear purpose; to provide free compassionate palliative care to those who need it most. Today, thanks to the incredible generosity of our community, we care for over 2,700 patients and their families each year.

None of this would be possible without the kindness of people like you. Over the years, gifts in Wills have played a vital role in shaping the future of LOROS, helping us to deliver expert care, comfort and dignity to those living with a terminal illness.

These special gifts are acts of love - lasting legacies that ensure we can continue to be there for future generations. Quite simply, we wouldn't be here without them - or without you.

Thank you for considering leaving a gift in your Will to LOROS. Your support helps us keep making every moment count.

# Sue's Story

Sue Steel from Groby is still so grateful for the care and support her Dad, Pip, received at LOROS ten years ago, she's changed her Will to leave the charity a legacy.

**“I’m leaving a gift to LOROS so that others can have the care my Dad had.”**

Sue said: “Back in 2014, my Dad was diagnosed with throat cancer at a very late stage and quickly transferred to LOROS Hospice. It was the best thing that could have happened in the circumstances. Thanks to LOROS we had six weeks together before he sadly died and he was so well cared for in that time.

“I remember one day towards the end, the nurses wrapped him in blankets and pushed his bed out into the courtyard so he could hear the Salvation Army band playing carols at a Christmas service. It was beautiful and I knew I’d done right by him.

“I want everyone to have the care and treatment my father had. His legacy lives on through me and I know he would want to help others as he was helped by LOROS.”

# A gift in your Will is more than a donation - it's a future for LOROS

"It costs LOROS £11.5 million each year to provide our expert care. Just one third comes from the NHS so we still need to raise at least £9 million every year through donations.

By choosing to give a gift in your Will, you can play a vital role in securing the future of LOROS. Your future gift will help keep our doors open and ensure that patients and their families receive compassionate care and support when they need it most for years to come.
