What is the LOROS Professional Development Centre?

The LOROS Professional Development Centre (LPDC) is a bespoke centre of excellence for education, training and research. Its focus is on developing palliative and end of life care at LOROS and across Leicester, Leicestershire and Rutland, and improving care for patients, families and carers.

The LPDC also provides health and social care staff, businesses, charities and community groups with a **professional, and convenient conference venue that is available to hire at highly competitive rates**. Hiring our facilities supports the work of LOROS and contributes to improving care.

With five high-quality conference/meeting rooms available to hire, close to the city centre and situated just four miles from the M1 motorway, the LPDC is an ideal location for your next meeting.

What does it offer?

- Five conference/meeting rooms with high quality audio-visual technology
- A clinical skills suite for the health and social care sector, education providers, care homes and domiciliary care agencies
- IT training facilities
- Palliative and end of life care library

- Free Wi-Fi in all rooms
- Receptionist service
- Full accessibility, including hearing loop, suitable for wheelchair users
- On-site café and catering facilities serving fresh coffee and deli-style food
- Room set up as required
- Limited free parking on-site

When is it available?

The LPDC is open 9am-5pm Monday to Friday. If you are interested in using the venue outside these hours, please contact us for more information.

Location

The LPDC is a new building situated within the grounds of LOROS Hospice on Groby Road, Leicester, LE3 9QE. Signs when you enter the site will direct you to turn right, past the front of the Hospice. The LPDC is a separate building towards the rear of the car park. (Sat Nav LE3 9EP)
